MEMO

RE: JULIUS ROSENBERG
ESPIONAGE - R

I spoke with Supervisor Brannigan of the Bureau on 7/16/50 at which time I suggested the Bureau consider recommending to the Department the possibility of filing on ETHEL ROSENBERG as well as JULIUS ROSENBERG. He said that this would be done.

I also referred to the report of SA W. F. Norton, dated 7/7/50, Page 18, and told him the correct date is May 12, 1918 instead of May 2nd.

JULIUS ROSENBERG, ESP-R. PURSUANT TO YOUR TELEPHONIC CONVERSATION
 WITH ASSISTANT DIRECTOR L. B. NICHOLS THE FOLLOWING PRESS RELEASE
 BE ISSUED AT WASHINGTON TONIGHT

JULY 17, 1950

ATTORNEY GENERAL J. HOWARD MCGRATH AND J. EDGAR HOOVER, DIRECTOR
 OF THE FEDERAL BUREAU OF INVESTIGATION, ANNOUNCED THE ARREST TODAY OF
 JULIUS ROSENBERG, AGE 32, BY FBI AGENTS IN NEW YORK CITY, NEW YORK,
 ON A CHARGE OF CONSPIRACY TO COMMIT ESPIONAGE.

J. EDGAR HOOVER, DIRECTOR OF THE FEDERAL BUREAU OF INVESTIGATION,
 IN DISCUSSING THE BACKGROUND OF THE CASE, SAID THAT ROSENBERG IS
 ANOTHER IMPORTANT LINK IN THE SOVIET ESPIONAGE APPARATUS WHICH INC-
 LUDES DR. KLAUS FUCHS, HARRY GOLD, DAVID GREENGLASS AND ALFRED DEAN
 SLACK. MR. HOOVER REVEALED THAT ROSENBERG RECRUITED GREENGLASS AND
 AT HIS INSTIGATION THE LATTER MADE CLASSIFIED, TECHNICAL INFORMATION
 ON THE A-BOMB AVAILABLE TO BOTH GOLD AND ROSENBERG IN 1945. HE STATED
 THAT ROSENBERG GAVE GREENGLASS SPECIFIC INSTRUCTIONS AS TO THE TYPE OF
 INFORMATION RUSSIA DESIRED.

PAGE TWO

INVESTIGATION TO DATE REVEALS THAT ROSENBERG, AN AMERICAN-BORN ENGINEER, MADE HIMSELF AVAILABLE TO SOVIET ESPIONAGE AGENTS SO HE "COULD DO THE WORK HE FELT HE WAS SLATED FOR" AND SO HE MIGHT "DO SOMETHING TO DIRECTLY HELP RUSSIA."

ROSENBERG, IN EARLY 1945, MADE AVAILABLE TO GREENGLASS WHILE ON FURLOUGH IN NEW YORK CITY ONE HALF OF AN IRREGULARLY CUT JELLO BOX TOP, THE OTHER HALF OF WHICH WAS GIVEN TO GREENGLASS BY HARRY GOLD IN ALBUQUERQUE, NEW MEXICO AS A MEANS OF IDENTIFYING GOLD TO GREENGLASS. ON THIS OCCASION IN JUNE, 1945, GREENGLASS WAS PAID \$500 BY GOLD WHO OBTAINED IT FROM HIS SOVIET SUPERIOR ANATOLI A. YAKOVLEV, VICE CONSUL OF THE SOVIET CONSULATE IN NEW YORK CITY. GREENGLASS THEN TURNED OVER TO GOLD CLASSIFIED INFORMATION HE HAD SECURED FROM THE ATOM BOMB PROJECT AT LOS ALAMOS, WHERE HE WAS STATIONED AT THE TIME AS A SOLDIER.

AFTER FUCHS AND GOLD WERE ARRESTED IN FEBRUARY AND MAY, 1950, RESPECTIVELY, ROSENBERG WARNED GREENGLASS TO LEAVE THE COUNTRY AND SUPPLIED HIM WITH SUBSTANTIAL FUNDS IN TWENTY DOLLAR BILLS TO DO SO. HE INSTRUCTED GREENGLASS TO SURREPTITIOUSLY OBTAIN A PASSPORT TO MEXICO, TRAVEL TO SWITZERLAND AND THEREAFTER REPORT TO THE SOVIET EMBASSY IN CZECHOSLOVAKIA. SHORTLY THEREAFTER GREENGLASS WAS ARRESTED BY THE FBI.

PAGE THREE

THE GRAVITY OF ROSENBERG'S OFFENSE, MR. HOOVER STATED, IS ACCENTUATED BY THE FACT THAT THROUGH HIS IMPLICATION IN THE ESPIONAGE RING AS A NATIVE BORN AMERICAN CITIZEN HE AGGRESSIVELY SOUGHT WAYS AND MEANS TO SECRETLY CONSPIRE WITH THE SOVIET GOVERNMENT TO THE DETRIMENT OF HIS OWN COUNTRY.

JULIUS ROSENBERG WAS BORN MAY 12, 1918, AT NEW YORK CITY AND WAS GRADUATED FROM THE COLLEGE OF THE CITY OF NEW YORK WITH A B.S. DEGREE IN ELECTRICAL ENGINEERING IN FEBRUARY, 1939. FOLLOWING EMPLOYMENT WITH VARIOUS MANHATTAN AND BROOKLYN ELECTRICAL ENGINEERING FIRMS, HE WAS EMPLOYED AS A JUNIOR ENGINEER IN THE SIGNAL SERVICE, WAR DEPARTMENT, SUPPLY OFFICE, NEW YORK GENERAL DEPOT, BROOKLYN, ON SEPTEMBER 3, 1940. THEREAFTER HE WAS TRANSFERRED TO THE SIGNAL CORPS, PHILADELPHIA, PENNSYLVANIA, AS AN ASSISTANT ENGINEERING INSPECTOR WORKING IN THE PHILADELPHIA, PENNSYLVANIA AND NEW JERSEY AREAS. HE WAS PROMOTED TO ASSOCIATE ENGINEERING INSPECTOR ON FEBRUARY 16, 1943, AND CONTINUED IN THIS POSITION UNTIL HIS EMPLOYMENT WAS SUSPENDED ON FEBRUARY 9, 1945, WHEN HE WAS REMOVED BY THE SECRETARY OF THE WAR

PAGE FOUR

DEPARTMENT ACTING ON THE RECOMMENDATION OF ROSENBERG'S COMMANDING OFFICER ON THE BASIS OF INFORMATION INDICATING COMMUNIST PARTY MEMBERSHIP. ROSENBERG MADE NUMEROUS UNSUCCESSFUL ATTEMPTS TO BE REINSTATED. SUBSEQUENT TO LEAVING THE SIGNAL CORPS, HE PURCHASED AND OPERATED THE PITT ENGINE PRODUCTS, INCORPORATED, 370 EAST HOUSTON STREET, NEW YORK CITY. ROSENBERG, MARRIED, FATHER OF TWO CHILDREN, RESIDED AT 10 MURROE STREET, NEW YORK CITY.

A COMPLAINT CHARGING ROSENBERG WITH CONSPIRACY TO VIOLATE SECTION 32A (ESPIONAGE ACT), TITLE 50, U. S. CODE, WAS FILED BEFORE FEDERAL JUDGE JOHN F. X. MCGOHEY, SOUTHERN DISTRICT OF NEW YORK.

MEMO

Re: JULIUS ROSENBERG;
ESPIONAGE - R

Mr. L. B. Nichols, Bureau, called at approximately 7:30 P. M., and advised that he is anxious to make a press release as soon as possible, but that he realizes that a release should not be made as soon as the arrest is made since we will be searching the apartment of ROSENBERG and we would not want to have our search interrupted by newspaper inquiries. Mr. Nichols said that he was now thinking of a plan whereby he would make his release a reasonable time before the search was completed and when we knew with some degree of certainty approximately when the search would be completed. I told Mr. Nichols I would try and keep in touch with him on this.

Inquiry was made of Mr. Nichols as to whether or not we could make any statement here in New York and it was suggested to him that when he makes his release, if we could at the same time advise our press sources here that there is to be an arraignment and give the time, that I believe the press would appreciate it. Mr. Nichols said he would approve that idea and further suggested that we could tell our contacts among the press what door the subject was coming in in order that they might get pictures of the subject as he is brought into the Court House for arraignment.

July 17, 1950

Attorney General J. Howard McGrath and J. Edgar Hoover, Director of the Federal Bureau of Investigation, announced the arrest today of JULIUS ROSENBERG, age 32, by FBI Agents in New York City, New York, on a charge of Conspiracy to commit espionage.

J. Edgar Hoover, Director of the Federal Bureau of Investigation, in discussing the background of the case, said that ROSENBERG is another important link in the Soviet Espionage Apparatus which includes Dr. Klaus Fuchs, Harry Gold, David Greenglass, and Alfred Dean Slack. Mr. Hoover revealed that Rosenberg recruited Greenglass and at his instigation the latter made classified, technical information on the A-Bomb available to both GOLD and ROSENBERG in 1945. He stated that Rosenberg gave Greenglass specific instructions as to the type of information Russia desired.

Investigation to date reveals that Rosenberg, an American-born Engineer, made himself available to Soviet Espionage Agents so he "could do the work he felt he was slated for" and so he might "do something to directly help Russia."

Rosenberg, in early 1945, made available to Greenglass while on furlough in New York City one-half of an irregularly cut Jello box top, the other half of which was given to Greanglass by Harry Gold in Albuquerque, New Mexico, as a means of identifying Gold to Greenglass. On this occasion in June, 1945, Greenglass was paid \$500. by Gold who obtained it from his

15-15348-101

Soviet Superior Anatoli A. Yakovlev, Vice Consul of the Soviet Consulate in New York City. Greenglass then turned over to Gold classified information he had secured from the Atom Bomb Project at Los Alamos, where he was stationed at the time as a soldier.

After Fuchs and Gold were arrested in February and May, 1950, respectively, Rosenberg warned Greenglass to leave the country and supplied him with substantial funds in twenty dollar bills to do so. He instructed Greenglass to surreptitiously obtain a passport to Mexico, travel to Switzerland and thereafter report to the Soviet Embassy in Czechoslovakia. Shortly thereafter Greenglass was arrested by the FBI.

The gravity of Rosenberg's offense, Mr. Hoover stated, is accentuated by the fact that through his implication in the espionage ring as a native born American citizen he aggressively sought ways and means to secretly conspire with the Soviet Government to the detriment of his own country.

Julius Rosenberg was born May 12, 1918, at New York City and was graduated from the College of the City of New York with a B. S. degree in Electrical Engineering in February, 1939. Following employment with various Manhattan and Brooklyn Electrical Engineering firms, he was employed as a Junior Engineer in the Signal Service, War Department, Supply Office, New York General Depot, Brooklyn, on September 3, 1940. Thereafter he was transferred to the Signal Corps, Philadelphia, Pennsylvania, as an Assistant Engineering Inspector working in the Philadelphia, Pennsylvania, and New Jersey areas.

He was promoted to Associate Engineering Inspector on February 16, 1943, and continued in this position until his employment was suspended on February 9, 1945, when he was removed by the Secretary of the War Department acting on the recommendation of Rosenberg's Commanding Officer on the basis of information indicating Communist Party membership. Rosenberg made numerous unsuccessful attempts to be reinstated. Subsequent to leaving the Signal Corps, he purchased and operated the Pitt Engine Products, Inc., 370 East Houston Street, New York City. Rosenberg, married, father of two children, resided at 10 Monroe Street, New York City.

A complaint charging Rosenberg with Conspiracy to violate Section 32A, Espionage Act, Title 50, U. S. Code, was filed before Federal Judge John F. X. McGohey, Southern District of New York.

Sergeant JOHN LAGROSSA of the Fairlawn, New Jersey Police Department advised they had no record on BURDICK.

The Newark Office indices were negative on BURDICK and the records of the Office of Selective Service at Trenton, New Jersey, had no record on BURDICK.

Lieutenant Commander JAMES A. GUIDA, Naval Air Station, Lakehurst, New Jersey, was interviewed on July 14, 1950. He stated he has known ALFRED SARANT since his Senior year at Hempstead High School, Hempstead, New York.

Lieutenant Commander GUIDA stated that SARANT can be considered very brilliant. GUIDA advised SARANT attended Cooper-Union College where he finished fourth among those taking the entrance examination. GUIDA stated that he was a very good friend of SARANT at this time, and that they had both taken the entrance examination to Cooper-Union College, but he was not fortunate enough to be admitted.

Lieutenant Commander GUIDA stated that SARANT's parents were Greek immigrants. GUIDA advised that ALFRED SARANT's brother, RAY, was in England during the Blitz and later entered the United States Army and served in the African campaign where he was captured. According to Lieutenant Commander GUIDA. RAYMOND SARANT, after four attempts, escaped and worked with the Underground movement in France. Another brother, WILLIAM, was an enlisted man in the Quarter master Corps of the United States Navy. GUIDA advised that he wrote a letter of recommendation for a Commission for ALFRED SARANT to the United States Navy in 1941 but SARANT did not receive this Commission.

According to Lieutenant Commander GUIDA, SARANT worked at the Signal Corps Laboratories, Fort Monmouth, New Jersey, and left there to go with the Western Electric Company in New York and later with the Bell Telephone Laboratories. He left the Bell Telephone Laboratories to get a Doctor's degree in Physics at Cornell University and is now a building contractor in the vicinity of Cornell University, New York.

Lieutenant Commander GUIDA stated the last correspondence he had with ALFRED SARANT was a Christmas card from SARANT telling him of his being a contractor. He stated the last time he saw ALFRED SARANT was in April, 1945 when the USS Benjamin Franklin was at the Brooklyn Navy Yard after a cruise and he took SARANT through the ship.

GUIDA advised that he considered SARANT a good friend of his and during his college days saw him about once every three to six months. He stated that SARANT, as well as himself, had a very heavy schedule in college and, as a result, did not see each other more often.

NWK 65-4038

Lieutenant Commander GUIDA volunteered the information that SARANT is for the "under privileged", but felt he was never a member of the Communist Party. He stated SARANT had talked him into subscribing to a small pamphlet named "In Fact", by GEORGE SELDES. He stated that he and SARANT had discussed the press of this country and felt it did not give a true picture, being somewhat biased, and this was one of the reasons he purchased "In Fact". In connection with this, GUIDA also volunteered that due to his opinion of the press he reads "The Nation" and "The New Republic" in order to get a better picture of happenings.

GUIDA stated that SARANT and he both had a great admiration for the Russian war effort during the past war and often discussed it. He also advised that SARANT had never visited him anywhere, but that he had looked up SARANT during the war in order to take him for a tour through the USS Benjamin Franklin. He also looked him up in New York City where he went through the 42d Street plant of the Western Electric Company where SARANT was working on radar.

GUIDA advised that SARANT had never requested him to give any information concerning the work he was doing in the United States Navy, and further stated that SARANT was working on more highly classified work than he during the war while employed with the Western Electric Company. He related that SARANT was looked upon with high regard by his fellow employees and superiors while he was employed at the Western Electric Company and Bell Telephone Laboratories.

Lieutenant Commander GUIDA advised that as far as he knows SARANT is still living in the vicinity of Ithaca, New York, with his wife and son. GUIDA was cautioned to keep the interview concerning SARANT confidential.

MEMO

Re: JULIUS ROSENBERG;
ESPIONAGE - R

At 4:55 P. M., 7/17/50, Inspector A. E. Belmont, Bureau, called and advised they had just finished a two-hour conference with the Department on the ROSENBERG case. Mr. McInerney of the Department has advised that we should go ahead on the case, get in touch with USA Saypol, and have him authorize a complaint, have a warrant issued, charging violation of Section 34, Title 50, which is the Conspiracy Section of the Espionage Act. The charge will be conspiracy to violate Section 32. The same form may be used as was used in the GREENGLASS case. We are to instruct Mr. Saypol that when he has everything lined up as far as the complaint is concerned, he is to call Mr. McInerney.

The Department has advised that they do not believe there is sufficient evidence developed to charge ETHEL ROSENBERG. So far it appears there would be just one witness against ETHEL to show her complicity, which witness would be RUTH, since so far it appears the only thing DAVID knows about ETHEL's involvement is what he has learned from RUTH or the involvement that DAVID knows about, RUTH does not know about and is separate and distinct from the activities which RUTH knew about.

In the matter of ANNE -----, the Department also feels there is insufficient evidence to authorize.

On RUTH GREENGLASS, The Department is not authorizing at this time.

Mr. McInerney has advised that it does not appear that we have sufficient information upon which to obtain a search warrant.

Mr. Belmont also advised, when this matter is discussed with Mr. Saypol, he is to be advised there is to be no break in the matter until after the arrest in order that we will encounter no obstacle in the pickup based upon ROSENBERG's advance knowledge.

Mr. Belmont called back and advised Mr. McInerney stated he had not been able to reach Mr. Saypol but he had discussed the case with AUSA Myles Lane and told him to authorize us to present the case to AUSA Lane.

This information was furnished to SA R. R. Granville who was instructed to have agents see Lane and discuss the facts with him.

The surveillance on ROSENBERG is to be tightened with no question as to his making the surveillance as reason for it being dropped. In other words, the surveillance should be kept even if ROSENBERG might be aware of it. Every effort should be made to try and place ROSENBERG back in his apartment in order that when the warrant is issued we can arrest him at the apartment and search his apartment incidental to the arrest. I pointed out that if any situation arose whereby between now and the time the warrant is issued that the agents have reason to believe this man is attempting to leave the country, the United States Attorney has authorized a complaint on him, and therefore, he can be arrested.

RE: JULIUS ROSENBERG

At 8:45 A.M. this date I called Colonel WHEATON, Army Intelligence, and informed him this office felt that in connection with the ROSENBERG case certain information as to ROSENBERG'S connection with the Army should be brought to the attention of G-2 in order that they could be kept current on this case.

I advised Colonel WHEATON that ROSENBERG had been with the Signal Service of the U.S. Army from September 1940 through March 1945. Further, that ROSENBERG had at the time of his separation from the Signal Service attained the classification of Associate Engineer in the Inspection Department of the Signal Service.

I told Colonel WHEATON that according to information available to us ROSENBERG had received indefinite suspension under Public Law 808, Section 3, which is applicable to the Army. I stated that ROSENBERG'S suspension had been based on indication of Communist Party membership. I told Colonel WHEATON that the complete Army summary report on ROSENBERG was dated February 8, 1945, Army Service Forces Headquarters, 2nd Service Command, File 25-318821.

I further informed Colonel WHEATON that this office would be glad to answer any question which came up in his office regarding ROSENBERG'S connections with the Army. Colonel WHEATON thanked me and stated if anything came up he would immediately contact this office.

At approximately 9:15 P. M., 7/17/50, I received a call from an individual who identified himself as ERNEST BLOCH, an attorney. Mr. Bloch advised me he had received a call from Mrs. JULIUS ROSENBERG, who advised him her husband, JULIUS ROSENBERG had been arrested by the FBI. Mr. Bloch requested to be advised as to when ROSENBERG was going to be brought before a Commissioner or Judge. I told him that the Assistant United States Attorney handling this case was Mr. MYLES LANE, who could be contacted at Courtland 7-7119. I told him that the arraignment of ROSENBERG would, of course, be arranged for by the United States Attorney's Office and that it would be proper for him to direct his inquiry to Mr. Lane. Mr. Bloch thanked me.

After speaking with Mr. Bloch, I called AUSA Lane and advised him of the call from Bloch.

Re: JULIUS ROSENBERG;

Spoke this afternoon with Mr. Bill Branigan, Bureau, in absence of Mr. Leo L. Laughlin. Advised had been questioning DAVID GREENGLASS since early this morning, interrogating wife, RUTH GREENGLASS since approximately 1:30 this afternoon. We are allowing them to talk, giving us the general story. It will take sometime, several days. After obtaining general story, we will hammer at specific points to develop case as logically and completely as possible.

We have spot-checked ROSENBERG this morning and are doing same this afternoon. No unusual developments. Because of nature of neighborhood and ease with which he can leave residence unobserved by agents, we are recommending against conducting surveillance over weekend unless some developments occur later today which would warrant otherwise. We feel, since he has wife, children, and business here; and was interviewed, there does not appear to be any reason why he should leave town at this time. It would take numerous agents to properly surveil him with danger of heating him. We will conduct surveillance if Bureau thinks it necessary, but, for above reasons, do not think it advisable. Mr. Branigan advised would consult with Inspector Belmont. He requested to be advised later of any further developments. Said, as of now, surveillance over weekend not necessary unless advised to the contrary.

Re: JULIUS ROSENBERG
ESPIONAGE - R

At approximately 4:45 P. M., 7/19/50, SA Jack O'Donohue, Cleveland, called and advised that Agents of the Cleveland Office had been talking with WILLIAM PEARL this afternoon.

PEARL denied any knowledge of ROSENBERG. When shown a picture of ROSENBERG, he said he could not identify same, that he did not know the person photographed.

PEARL admits knowing BARR. He admits knowing MAX ELICHTER, but only knew him casually when they attended CCNY together. In summer of 1946, PEARL returned to NY and it was there he met BARR. He did not associate with him frequently, once or twice. BARR introduced PEARL to SARANT. He only met SARANT once or twice and it was SARANT who gave PEARL the key to apartment at 65 Morton St., NYC. PEARL states he stayed at the apartment on weekends between Fall, 1946 and Spring, 1948. In Spring, 1948, he moved in there completely and lived there until June, 1948, at which time he came back to Cleveland, to National Advisory Committee of Aeronautics. He has not heard from BARR at least since that time or probably late 1947. This apartment was used as a place to take dates. However, when PEARL was confronted with a copy of a letter he had received from his brother SAM PEARL wherein SAM said he had met BARR in Paris -- letter dated May, 1950 -- he admitted having this information. The letter also indicates that SAM PEARL asked BARR if he was a Communist and that BARR denied that he was one.

PEARL is divorced from HENRIETTA SAVIDGE, whose last known address was 104 East 38th Street, NYC. They were married in Fall, 1944 -- commonlaw -- Divorced in 1947. He said he does not know where she is now.

PEARL denied knowing ANNE or MIKE. However, the Cleveland Office has definitely identified MIKE as the individual they have under surveillance, from photo sent them by NYO.

Birth records, Cleveland, reflect child born to ANNE and MIKE 5/9/49, named ANDREA ANN. Mother ANNA HANUSIAK, 30 yrs old. From previous information, SA O'Donohue said ANNE was born in New Haven.

Agents of Cleveland Office have taken moving pictures of person they think is ANNE. They have no stills. Moving Pictures will be sent to NY tonight AMSD for developing.

Cleveland Agents are of the opinion that PEARL does know ANNE and MIKE. They said he was cooperative about going to the Cleveland Office for interview, but as soon as he got there he wanted to know about an attorney and appeared hesitant.

I advised SA O'Donohue that from a description NY Agents had received from the superintendent at 65 Morton Street, there was some indication PEARL might have been in NY last year. I asked him to question PEARL about details -- furnishing of apartment -- (NY agents learned the apartment was sparsely furnished, that there was a photo flash up on the wall shining down on table; the apartment is in Greenwich Village Section of NYC.) Who went to the apartment? Who did he know in the neighborhood; where did he eat; who were the dates he took to the apt. - Who were the other people who lived at the apartment. Who did he pal around with while he was living in NY. etc.

I told SA O'Donohue that we were sending a teletype to the Bureau recommending that the Cleveland Agents be permitted to interview ANNE and MIKE; and suggested that they keep PEARL as well as ANNE and MIKE under surveillance.

McGohey at approximately five minutes to seven, charging ROSENBERG with conspiracy to violate Section 32A, Title 50.

Upon the completion of my talk with Mr. Moynihan I spoke with Mr. Belmont at which time I told him we were ready to proceed with the arrest of ROSENBERG and he desired to know if we recommended proceeding against him tonight and I said we did. He wanted to know how long the search would take and I told him approximately two or two and a half hours.

He emphasized that the Bureau should be kept currently advised of all developments during the arrest and search and I told him this would be done.

I spoke with Mr. Belmont later on during the evening of 7/17 at which time he desired to know the details of the arrest. I told him ROSENBERG had been placed under arrest by SAs Norton and Harrington, that I had been there and that I also specifically advised him he was under arrest on charge of espionage and that we were Special Agents of the FBI. I told Mr. Belmont there was no doubt but what ROSENBERG knew this as I had exhibited my credentials to him so signifying.

I explained that we had found a considerable amount of material which had to be examined and that there were a maximum of 11 agents at one time during the evening. This number was necessary in order to complete the search with dispatch so that there would not be an unreasonable delay in bringing ROSENBERG to the U.S. Court House in order that he might be arraigned. I explained we had entered the apartment to place ROSENBERG under arrest at 7:42 P.M. 7/17/50 and had left the apartment for the U.S. Court House at 9:19 P.M.

I called Mr. J. J. McGuire of the Bureau this morning to advise him that the reaction generally from the local press as to the ROSENBERG story is OK; that there has been no indication that anyone was dissatisfied.

I called his attention to the editorial in the Herald Tribune this morning entitled THE UNKNOWN ENEMY, the theme of which is that Rosenberg could be a neighbor and how can you recognize this enemy from within, etc. and ends by saying the FBI by methodically uncovering the sequence from Dr. Fuchs has performed invaluable service. I pointed out that this is in sharp contrast to the editorial they wrote at the time of ALGER HISS' conviction, at which time they said everyone would withhold judgment until the Supreme Court had passed on it.

Mr. McGuire said he would obtain a copy of this editorial and show it to the Director.

SA Bill Norton informed me that GREENGLASS told him, 7/18/50, that ROSENBERG was in solitary confinement. However, one of the officials at the Federal House of Detention said it was almost impossible to keep them physically separated at all times.

SA Norton said that GREENGLASS had expressed a desire to be removed to the Tombs, stating he believed that federal prisoners are kept on the 11th floor there and that they could buy their own food there. Agent Norton said that he had also informed the officials at the Federal House of Detention of the possibility of ROSENBERG's attempting to commit suicide.

Mr. J. J. McGuire of the Bureau called me at 5:45 PM today with reference to a story appearing in Washington, originating in New York, quoting authoritative sources as stating that more arrests may follow that of Rosenberg, who "had contact with" other persons besides his brother in law, David Greenglass. Further quoting these sources, the news release said that U. S. Attorney Saypol refused comment but he did say that evidence against Rosenberg would be put before the Grand Jury soon. Rosenberg's attorney, Emanuel Block, is also quoted in this article. Mr. McGuire said the Director desired to know the source of this article.

I advised Mr. McGuire that very definitely this had not emanated from this office. I pointed out that the item about more arrests originated in early dispatches in the Rosenberg case in which one of the Senators was quoted to this effect. I further pointed out that in view of the fact that U. S. Attorney was quoted in this article, the other comments might have originated with him, although I had no basis for this speculation; that the entire thing may have been pure speculation, based on previous articles in this matter.

With further reference to this matter, I advised Mr. McGuire that an article appeared in New York today to the effect that all four subjects might be tried in New York on a superseding indictment; that ASAC Whelan advised me that U. S. Attorney Saypol mentioned to him that he had talked to the Department along the lines of the four subjects being tried jointly here; that while Saypol didn't say he had given this story to the paper, it may be noted that he did have this discussion with the Department and subsequently the story appeared in the paper, with no source given; that while this has no direct connection with the news to which Mr. McGuire referred, it is a parallel situation and lends weight to the possibility that the other story too originated with the U. S. Attorney or his office. In any event, he was advised that the story did not originate with this office.

RE: JULIUS ROSENBERG
ESPIONAGE - R

At 3:00 P.M. 7/20/50, SAs Frutkin, Lewis and the writer contacted Mr. Miles Lane, chief assistant to USA Saypol. Mr. Saypol was not available at the time.

It was pointed out to Mr. Lane that DAVID GREENGLASS had advised this office that sometime between September 1949 and May 1950, while he was at the Pitt Machine Company on a visit, JULIUS ROSENBERG had taken a Leica camera from his desk drawer and had shown this Leica to GREENGLASS. Mr. Lane was advised that if possible a search warrant be obtained in order to determine whether the Leica is still there inasmuch as it could be used to substantiate the allegations of GREENGLASS against ROSENBERG.

Mr. Lane agreed that it was important and said he would contact Mr. Saypol and possibly the Department to determine whether or not a search warrant would be valid.

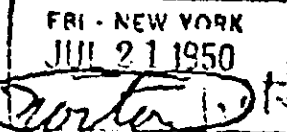

At 4:50 P.M. Mr. Lane called back and advised that he had talked with Mr. Saypol and the Department and they were unanimously of the opinion that a search warrant at this time would not be valid. They pointed out that it was some time since this Leica camera had been seen in the desk by GREENGLASS and they felt that if the search warrant were attacked as being invalid they might have to prematurely disclose the fact that GREENGLASS is cooperating fully and furnishing detailed information. He said they did not feel a search warrant at this time would be valid for the premises at 370 East Houston Street.

It was also pointed out during the talk that Mrs. GREENGLASS had felt that the Pitt Machine Company might be used as a cover company for ROSENBERG'S operations.
